The Dominicans and the Pope: Papal Teaching Authority in the Medieval and Early Modern Thomist Tradition (Paperback)

By Ulrich Horst

University of Notre Dame Press, United States, 2006. Paperback. Book Condition: New. annotated edition. 226 x 155 mm. Language: English . Brand New Book. These essays examine papal teaching authority from Thomas Aquinas in the thirteenth century to the Dominican School of Salamanca in sixteenth-century Spain. Fr. Ulrich Horst, O.P., an internationally renowned authority in historical theology, describes the various debates between the Dominicans and other orders over papal teaching authority, especially whether there should be limits placed on papal authority and, if so, what they might be. Horst reviews in a brief and masterful fashion the teaching of medieval and Catholic Reformation Dominican theologians about the teaching authority of the pope. He succinctly shows the differences within the order on the topic and makes clear how Dominicans tended to differ on the matter from theologians of other orders such as the Franciscans and, later, the Jesuits, whose views would eventually lead to the proclamation at Vatican I. In the first chapter, Horst discusses the canonization of St. Thomas, the lecture on the Gospel of St. Matthew, and Summa Theologiae II - II, q. 1, art. 10. Horst then examines the road to conflict under Pope John XXII and the...
