

## 21st-century Smallholder: From Window Boxes to Allotments - How to Go Back to the Land without Leaving Home

Filesize: 7.27 MB

### ***Reviews***

*It is fantastic and great. This is for those who statte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.  
(Barry O'Reilly)*

## 21ST-CENTURY SMALLHOLDER: FROM WINDOW BOXES TO ALLOTMENTS - HOW TO GO BACK TO THE LAND WITHOUT LEAVING HOME

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, 21st-century Smallholder: From Window Boxes to Allotments - How to Go Back to the Land without Leaving Home, Paul Waddington, Achieving genuine self-sufficiency of the kind described in John Seymour's classic guide is sadly beyond the vast reach of the urban majority today. Few have the space, and for those few there are comprehensive guidebooks. But where do the rest of us look for the answers to questions like how much effort does it really take to grow your own food? Is beekeeping difficult? Is solar power really worth the bother? From a small terraced house in the middle of a big city, Paul Waddington has made it his business to find out, and while trying it himself, has created a practical and absorbing guidebook along the way. It includes easy-to-read lists, tables, personal anecdote, and stunning illustrations, and more importantly demystifies the subject with practical tips that get to the heart of the matter to show you how you can enjoy the fulfilling aspects of the smallholding life without the hassle and expense of 'going all the way'. If you want to go back to the land without leaving home, this is the perfect guide.
