Excerpt: .A few years later this organization was merged into the present United States Light Heating Corporation and Mr. Haley was appointed salesman and inspector, which position he held until his recent appointment. The General Railway Signal Company has recently issued a new bulletin, No. 138, describing its inductive type of automatic train control and its application in three forms, namely: Automatic Train Stop System, Auto-Manual Train Control System and Automatic Train Speed Control System. Welding Rods and Electrodes.--A 40-page handbook, known as Catalog No. 500, has recently been issued by the Page Steel Wire Company, Bridgeport, Conn., which gives a variety of information concerning Page-Armco welding rods and electrodes for oxy-acetylene and electric welding. The catalog is well illustrated and in addition to the welding rod data, it contains a fund of miscellaneous information useful to the welder concerning the metallurgy of iron and...
