Academic Foundation, 2003. Hardcover. Book Condition: New. ?Shankar Acharya takes us effortlessly and yet with great analytical skill through some of the most critical economic problems facing the country. As a key insider until recently, he speaks with authority conveying his perspectives and concerns with a refreshing frankness, all of which makes this elegantly written book a lasting contribution to the study of India?s economic problems and prospects in the first years of the millenium.? -- Montek S. Ahluwalia Former Finance Secretary, Government of India ?Dr. Shankar Acharya is a distinguished economist, a keen observer of current affairs and a persuasive writer. Marked by analytical rigour, his articles offers an incisive commentary on economic events. With a subtle sense of humour and sarcasm, he drives home his points effectively. His articles cover a wide range of topics, all of which should go to enhance the ?economic common sense? in our country.? -- C. Rangarajan Chairman, Twelfth Finance Commission; Former Governor, Reserve Bank of India ?Dr. Shankar Acharya writes lucidly, and brings admirable judgement to the key macro-issues of the day. His book should be required reading for all policy-makers. The non-specialist reader will find in these pages easy entry into the debate on economic reform.? -- T.N. Ninan Editor, Business Standard, New Delhi Has India`s economic growth slowed down in the last five years? If so, why? What should be done to revive Industry ? Why is Agriculture limping and how can the sector be revitalized? Can the Services sector alone assure fast economic growth for the country? Is the Tenth Plan growth target of 8 percent per annum achievable? Or is it a pie in the sky? What`s wrong with our Health services? Do fiscal deficits hurt growth? How? How much damage did the last Pay Commission wreak? What...
