Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered why today s postmodern church seems to look so different than the church of years gone by? Have you ever wondered what has happened to that old-time religion that was good enough for your parents and grandparents, but doesn t seem to be good enough for people of today? The Judas Epidemic will answer those questions for you. It seeks to explain why the church and world governments are running down the wide path of destruction mentioned in John 7:14; who it is that is leading the way down that path; and why you should beware of their deceptive doctrines. I have read Curt Chamberlain s new book, The Judas Epidemic, with great enthusiasm. The contents are helpful, informative, and interesting. To my knowledge, concerning books, The Judas Epidemic is unique in that it defends the Word of God and the Lord s people by exposing the satanic emergent church and the contemporary movement sweeping across America today. --Dr. Mat Echols, MRE, ThD, DD.
