Willis Music Company, United States, 2005. Paperback. Book Condition: New. 297 x 224 mm. Language: English . Brand New Book. (Willis). NEW AND IMPROVED! Recently re-engraved and updated, John Thompson s Adult Piano Course was compiled with the mature student in mind. Adults have the same musical road to travel as the younger student, but the study material for a mature student will differ slightly in content. Since these beloved books were written and arranged especially for adults, they contain a wonderful mix of classical arrangements, well-known folk-tunes and outstanding originals that many will find a pleasure to learn and play. Most importantly, the student is always encouraged to play as artistically and with as much musical understanding as possible. This book includes access to orchestrated accompaniments online that can be downloaded or streamed. There are two tracks for each piece: a demo track with the piano part and one with just the accompaniment.
