THE GOLDEN HOUR Claire Blandy isn t settling into her golden years easily or peacefully. When her daughter buys her a used android, ostensibly to help around the house, Claire makes the unfortunate discovery that he too is in the final chapter of his life. Unwilling to let him waste his last days doing laundry and washing dishes, she instead takes him on a cross-country journey to find the families who once owned and loved him, rediscovering his past and getting a second chance to finally pursue her own forgotten passions. EVE Michael Presby has a question that needs an answer: can artificial intelligence beget artificial intelligence? Can an android, released from the restraints that keep it docile and unimaginative, create something beyond the scope of human invention? Eve may be the answer. The Presbys android housekeeper is calm, kind, and devoted to the family in her charge. Theres no one more trustworthy to test the forbidden waters of artificial intelligence. But when Eve encounters one of her own kind, broken and abandoned by the humans she trusts, a new question arises: what will she do with the knowledge, and her new found freedom?.
