

Sweet Booties!: and Blankets, Bonnets, Bibs and More

Filesize: 8.3 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which I in fact changed me, change the way I think.

(Lucinda Stiedemann)

Lark Books,U.S. Spiral bound. Book Condition: new. BRAND NEW, Sweet Booties!: and Blankets, Bonnets, Bibs and More, Valerie Van Arsdale Shrader, These irresistible and simple sewing projects - over 30 of them - come from the freshest indie craft designers around! And that sets them apart from other collections for small fry; every blanket, bib, bonnet and more is fashioned from contemporary fabrics and features a modern, slightly edgy aesthetic that mums and dads will really appreciate. The adorable, stylish creations range from a pair of tiny flowered shoes tied with a ribbon to a pair of witty bibs for boys and girls. A brightly striped sunhat glows with the warm colours of summer, while a sweet blankie showcases the stitched outline of a doggie in an airplane with a border of little bones. Other projects flaunt lovely embroidered and appliqued embellishments. A 'Sewing 101' section makes a great intro for beginners or a helpful refresher course. It features valuable tips specifically for baby projects, including laundry-friendly fabrics and safety advice on adornments.
