Theclassics.Us, United States, 2013. Paperback. Book Condition: New. 244 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1895 edition. Excerpt: . Chelone * in a tablespoonful of water every four hours and in less than a fortnight the lump between liver and navel had quite disappeared, and simultaneously therewith also the cardiac dyspnoea. I say cardiac dyspnoea as it lay in its origin between the liver and the heart, I could not trace any direct influence of Chelone on either the heart or kidneys though both were much influenced by the removal of the obstructive mass between liver and navel. Quassia As A Liver Medicine. It is difficult to conceive of anything outside of one s own self and one s own experience and hence it comes to pass that I have never been quite able to realize that Quassia has any action on the liver worth while. Und Doch. Very early in 1895 a gentlemen sent me a young man from Hampstead who had been in vain operated on in University College Hospital and thence discharged as incurable. Incurable at twenty years of age! This young man informed me that he left University College Hospital quite lately and showed me a long scar in the right axillary line where an incision would have enabled an exploration of the right kidney region, gall bladder and back of liver, which no doubt was the object of the operation. He himself stated that it was for stone in the right kidney but on reaching the kidney no stone could be found and so the wound was...
