Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

PUBLIC PERSONNEL MANAGEMENT: CURRENT CONCERNS, FUTURE CHALLENGES

[DOWNLOAD](#)

Longmans Green,, New York, NY, 1991. Soft Cover/Good. Book Condition: UNUSED. 1st Edition Softcover. This is a Brand New Copy--an excellent copy of the first edition, no marks. There are some interesting issues raised by the authors including biological testing, pay equity and the linking of pay to performance. A very useful introduction to personnel management. Performance evaluations are critical and this little volume does a good job of guiding the uninitiated. A great Intro text for the starving student.
