Pond Road Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Bernard Jankowski s new collection of poems, Radio in the Basement, focuses on the author s life from youth to middle age through stories of sports, work and family life. Far from being simple yarns about glory days, Jankowski breaks through to genuine insight while maintaining a jazz-like flow and creating thrust through the force of narrative. This collection, which reads like a memoir in free verse, is a gem for readers who see the subject of poetry as any and every situation and activity encountered and pursued through all the years of one s life. An author interview is included.
