

# Phonographies: Grooves in Sonic Afro-Modernity

By Alexander G. Weheliye

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Phonographies: Grooves in Sonic Afro-Modernity, Alexander G. Weheliye, Phonographies explores the numerous links and relays between twentieth-century black cultural production and sound technologies from the phonograph to the Walkman. Highlighting how black authors, filmmakers, and musicians have actively engaged with recorded sound in their work, Alexander G. Weheliye contends that the interplay between sound technologies and black music and speech enabled the emergence of modern black culture, of what he terms "sonic Afro-modernity." He shows that by separating music and speech from their human sources, sound-recording technologies beginning with the phonograph generated new modes of thinking, being, and becoming. Black artists used these new possibilities to revamp key notions of modernity--among these, ideas of subjectivity, temporality, and community. Phonographies is a powerful argument that sound technologies are integral to black culture, which is, in turn, fundamental to western modernity. Weheliye surveys literature, film, and music to focus on engagements with recorded sound. He offers substantial new readings of canonical texts by W. E. B. Du Bois and Ralph Ellison, establishing dialogues between these writers and popular music and film ranging from Louis Armstrong's voice to DJ mixing techniques to Darnell Martin's...
